Dear Mr. Davis:

Congratulations on assuming the presidency of RTNDA. I saw your profile in the September 18th BROADCASTING and couldn't help but notice the similarity of our call letters.

As you may know, we are being a bit more active in telling the public about what the CIA is and does these days. Perhaps we could get together next time you come to Washington. In the meantime, I am enclosing an information package to give you some background on CIA.

Best of luck at the helm of RTNDA and at WCIA-TV. Look forward to hearing from you.

Sincerely,

Herbert E. Hetu  
Director of Public Affairs
